# LETTER FROM OUR PRINCIPAL

**Dear Delegates and Faculty Advisors**

It gives me immense pleasure to invite you to the sixteenth edition of the Cambridge School Model United Nations Conference to be held in October 2024. CAMUN is the embodiment of great diplomatic and rational minds.

**MS. HARDEEP KAUR**

MUNs are a compilation of politically astute youth who learn through voicing their exclusive thought-processing global concerns. The conference aims to instigate young minds to think beyond issues plaguing world harmony and look for solutions. It is an opportunity to gain knowledge through peaceful negotiations and collective decision-making.

Our vision is to create a platform for the world's future leaders to grace and shine upon! We at CAMUN very firmly believe that the MUN conferences are not just an exploration of world views but also a platform to formulate one's perception and ideology. We hope to witness your school's active participation in the event.
